Mohammad Hassieb

Software Engineer || Front-end developer || Graphic Designer
Cairo, Egypt

Summary

As a skilled Front End Developer, I am driven to continuously expand my knowledge and gain practical experience through various internship opportunities. With a strong foundation in HTML, CSS, and JavaScript, I am eager to apply my technical skills and contribute to a company's success. I am eager to continue my professional growth and become a valuable asset to any team I join.

Experience

alx_africa

Software Engineer

January 2023 - Present (5 months)

Cairo, Egypt

ALX is a top-tier talent accelerator that prepares ambitious individuals to excel in the technology industry.

During my software engineering internship with ALX, I gained:

- * hands-on experience working on real-world projects.
- * collaborated with other interns and industry professionals.
- * developed essential skills in software development,

including:

- problem-solving
- coding
- testing

This program challenged me to continuously learn, adapt, and grow, and I emerged with a deeper understanding of the software development life cycle, a more robust technical skill set, and the confidence to tackle complex problems with ease. I am grateful for the opportunity to have been a part of such a valuable and transformative experience.

Egyptian basketball federation

Basketball Referee

September 2018 - Present (4 years 9 months)

Cairo, Egypt

- Refereeing local matches for different ages from 9 to 30 years in different competitions.
- Attended many camps in different governorates leading teams of other referees to strengthen our skills and connection.
- Attended many trainings with Egyptian and foreign trainers.

Basketball Africa League (BAL)

Vendor

April 2023 - May 2023 (2 months)

6th of October, Al Jizah, Egypt

As a vendor for the VIP section of the BAL (Basketball Africa League), I provided exceptional service to some of the most distinguished guests of the league. My role involved anticipating and fulfilling their needs, ensuring their comfort and enjoyment of the game, and representing the BAL in a positive and professional manner. This experience allowed me to develop strong customer service skills, work effectively under pressure, and maintain composure in high-stress situations. I am proud to have been a part of the inaugural season of the BAL and to have contributed to its success.

Education

Modern University for Technology & Information - MTI

Bachelor's degree, Computer Science · (January 2020 - July 2024)
